# Regulations

1. All classes shall be open to Wine and Brandy producers, hereinafter called "exhibitors" for competition according to the conditions applicable to respective sections. An exhibitor in this section shall mean a Person, Partnership, Association, Cooperative, Company or Corporate Body holding a current producer's license and licensed to sell wine and/or brandy under its own registered trading marks and under which the exhibit will finally be sold.
2. All exhibitors must conform to relevant State and Commonwealth health and regulatory Acts that govern the production or labelling of Australian wine and/or Australian brandy.
3. Wines competing in the Riverland Wine Show must be made using the required minimum of grapes grown within the Australian Geographical Indicator regions of Riverland, Swan Hill, Murray Darling, Riverina, and /or Rutherglen Inland Regions, as per the class description. Exceptions being for Section 6 - Special Classes where there is no restriction to the grape growing region.
4. No wine is to be entered more than once in the show.
5. There is no limit to the number of entries per class.
6. Exhibitors must enter using AWRI ShowRunner System. Exhibitors shall enter details as prompted including:
  - Class, variety(s) or generic description as required
  - Vintage (state NV if non vintage or average age where applicable)
  - Declare whether quantity in stock meets requirement
  - Name to be used in the results catalogue
  - State whether commercially dressed
  - Sweetness or Alcoholic strength as required.
7. All exhibits shall bear the labels supplied by the Society + ShowRunner and every effort should be made to ensure the label supplied does not obscure the commercial label.
8. Exhibits received late may be disqualified.
9. The description provided for each section (and class) must be adhered to; incorrectly entered exhibits may be disqualified.
10. The stewards reserve the right to transfer entries from one class to another.
11. Trueness to style will be at the discretion of the Chief of Judges.
12. Exhibits become the property of the Riverland Wine Show Society once received.
13. Wines entered in single variety classes must have a minimum of 85% of the specified variety. The predominant component of an entry in a blend class must not exceed 84% of the total volume. All components of the blend must be nominated on the entry form.
14. Each entry shall comprise in the:
  - Dry, sparkling and sweet wine classes 4 x 750ml bottles
  - Fortified wine 2 x 750ml bottles
  - Brandy 2 x 700ml bottlesEntries in bottles of equivalent nominal sizes will be eligible.

15. Exhibitors please note - trophy and medal winners may be requested to supply additional bottles for the exhibitors/public tasting and the presentation dinner.
16. The Riverland Wine Show Society Inc reserves the right to audit any entry for the following: Non conformance with minimum stock requirements as stated, regional integrity, compositional integrity, and any other matter.
17. The Society reserves the right to have any exhibit inspected or analysed by one or more persons appointed for that purpose.
18. An exhibitor breaking any regulation may be disqualified from any future show or shows. No entry will be received from any person or persons disqualified by this or any other similar Society during the period of such disqualification. Should any such entry be accepted, it shall, when discovered, be deemed void and the entry fee and exhibit shall be forfeited.
19. Exhibitors shall be judged out of 100 points and awards will be made on the following basis:
  - Gold 95-100 points
  - Silver 90-94 points
  - Bronze 85-89 points
20. Trophies for best wines. Non commercially dressed wines can be entered into all sections of the show. However only entries fully dressed and commercially available for sale at the time of judging will be eligible for trophies. Only commercially dressed wines will be eligible for medals. Non commercially dressed wines will only be given a point score.
21. 'Commercially available' is defined as wines for sale via general distribution through the retail market (including wine clubs) in Australia and/or overseas as well as wines only available for sale at cellar doors or cellar door mail order.
22. Points for aggregate trophies will be allocated on the following scale: Gold 5 points, Silver 3 points, Bronze 1 point. Points will only be awarded to commercially dressed wines.
23. In the event one or more exhibitors achieve equal aggregate points for a trophy, the trophy will be awarded to the exhibitor with the most gold medals. If this number is equal, the trophy will be awarded based on a count-back of silver medals.
24. Awards may be withheld in any class where exhibits are considered unworthy.
25. Medals may only be claimed or advertised under the name in which the wine was entered.
26. Judges will assess each class without collaboration and on receipt of all results for a particular class the panel Chairman shall have the points totaled, checked and determine the awards.
27. Judges will not have access to exhibits apart from the glass of each placed in front of them by the stewards.
28. Judges and Associate Judges shall not at any time prior to the announcement of awards have any access or knowledge as to the identity of the exhibits.
29. The decision of the Society and Judges shall be final.
30. No protest will be entertained unless made in writing within seven days of the announcement of the awards.
31. All results from this year's wine show will be published in the results catalogue, released to the media and displayed on [www.riverlandwineshow.com.au/wineshow](http://www.riverlandwineshow.com.au/wineshow)
32. Exhibitors are expected to comply with the Australian Grape and Wine Incorporated Code of Practice for the display of awards (except for clause 1, which applies to wines labelled for export only).

## Australian Grape & Wine

### Code of Practice for the Display of Awards

The Code applies to all Australian Wine producers for wine produced or sold in Australia or for export.

1. Producers will not use medals, stickers, symbols or other devices on a wine container or on any promotional material in order to misleadingly convey the impression that the wine has received an award at an open, objective and independent competition.
2. Awards received by an individual wine will bear the name of the show and the year of award. The class number is recommended but not mandatory. As a general rule, awards shall only be applied to wines bearing the name under which the exhibit was entered;
  - However, in recognition that a wine could be entered in a show before a wine has been finally allocated to a Brand, portability of an award so that it can stay with the wine which won it shall be permitted providing the wine show regulations so allow.
3. Awards received by a class of wines (e.g. "Winemaker of the Year", "Most Successful Exhibitor") shall not be used to suggest the individual wine has received any particular distinction. These awards will not be presented on the consumer package of an award or non-award wine in the form of a medal.
4. The use of gold, silver and bronze discs or a combination of one or more of these colours with a black disc to promote anniversaries, events, sponsorship and the like is not acceptable. Stickers and symbols or other devices should be sufficiently differentiated from show medals in terms of shape and/or colour to ensure no confusion.
5. It is recognised that there are a number of circumstances in which metallic discs can be used which clearly do not convey the impression that the wine has won an award. These are restricted to:
  - The presence of disc shaped stickers embedded within brand crests and /or architecture; and
  - Circular metallic devices which are decorative and clearly not medals; and
  - It is recognised that identification stickers attached to a bottle for wine not intended for resale, such as supplied to airlines, may fall outside the control of the producer.
6. Compliance by a producer (including by subsidiaries or by associated companies) with this Code of Practice is a condition for entry to Australian wine shows. Lack of compliance could result in the producer/exhibitor being disqualified from entering wines into specific shows.

# Judges' Comments

**Class Class comment**

- Class 01** A diverse line up, the good wines showed varietal expression and lovely fruit, the other wines were pushed and not balanced.
- Class 02** Top wines showed freshness and vitality. Some reduction holding lower scored wines out.
- Class 03** Freshness and varietal definition were rewarded. Higher pointed wines also showed lees complexity. Also had oak underpinning fruit. Lower pointed wines tended to push in to more reductive expressions, some with protruding VA imparting sourness to nose and finish. Some challenges with thiol green expressions.
- Class 04** Strong class. Vast variety of style and interpretation, with interest added by lees, phenolics and oak. Aromatic purity a signature here. Fun and thought provoking wines to drink.
- Class 05** Some nice examples with the top wine showing freshness and expression, balance and varietal definition.
- Class 06** A very exciting class to judge, diverse, interesting, this is a great spot for region in terms of varietal exploration. Top wines showed lovely direction and interest.
- Class 07** Top wines showed lovely sweet/acid balance, sweet wines must finish clean.
- Class 08** The top wine showed beautiful florals and acid line!
- Class 10** The top wines showed easy drinking, lovely wine, sometimes less is more.
- Class 11** Top wines showed density and weight with varietal typicity. Lacking complexity to go to gold medal. Oak usage questionable in this class, in some examples added drying extract or sat above fruit without adding mid palate sweetness.
- Class 12** Top of class wines showed bright red varietal characters with oak supporting fruit nicely. Other more strong expressions showed similar levels of freshness, but were either held out for sugar balance being slightly out of balance or oak just sitting above fruit and adding papery extract. Some challenges with aldehyde at lower end.
- Class 13** Best wine showed freshness with Shiraz as the hero in a small class.
- Class 14** Top wines showed varietal nuances either aromatically or on the palate. Probably not the strongest variety for this regions future.
- Class 15** A slightly disappointing class, watch use of oak and artifact.
- Class 16** Strong class, wines defined by depth, power, oak and tannin. Top expression brought red fruit and complexity to the front. Good to see wine holding well with a slightly more aged class.
- Class 17** Some yummy, textural, foodie wines, nice balance and freshness. Carefully considered winemaking showed through on top wines.
- Class 18** Nice examples of more robust varietals, the other varieties just lacked expression and freshness
- Class 19** Extremely variable class across age, varieties and stylistic interpretations. Higher pointed wines had fruit sitting first with oak supporting.
- Class 20** An ok wine...ok balance.
- Class 22** Fragrant nutshell, walnut, green apples and chamomile. Clean crisp, acidity sits nicely with lingering lemon and brine.
- Class 23** Strong class. Power and elegance with nutty complexity rewarded.
- Class 24** Not as strong as other fortified class. Oak detracting and drying out expressions. Some microbial faults mentioned.
- Class 25** Spicy, bright, red fruited, boysenberry. Very clean spirit, Raspberry coulis, with hint of drying extract. Well made.
- Class 26** A challenging class. Notable faults were VA, hard acid, premature aging, coarse phenolics and reduction. Better wines in this class showed cleanliness with fruit character.
- Class 27** Small variable class. Premature aging a challenge, with lower pointed wines showing a dry finish. Best wine showed fruit freshness on nose, but tannin still disjointed.
- Class 28** Top wine showed lovely true Brandy nuances.
- Class 29** A delightful line up of wines. The best wines showed freshness, balance and varietal trueness.
- Class 30** Lovely to see bright varietal wines, think summer days with friends. The top wine was very sophisticated and yum, a strong class.
