Regulations

1. All classes shall be open to Wine and Brandy producers, hereinafter called "exhibitors" for competition according to the conditions applicable to respective sections. An exhibitor in this section shall mean a Person, Partnership, Association, Cooperative, Company or Corporate Body holding a current producer's license and licensed to sell wine and or brandy under its own registered trading marks and under which the exhibit will finally be sold.
2. All exhibitors must conform to relevant State and Commonwealth health and regulatory Acts that govern the production or labelling of Australian wine and/or Australian brandy.
3. Wines competing in the Riverland Wine Show must be made using the required minimum of grapes grown within the Australian Geographical Indicator regions of Swan Hill, Murray Darling, Riverina, Rutherglen and Riverland, as per the class description. Exceptions being for the 'special classes' (Section 10) where there is no restriction to the grape growing region.
4. No wine is to be entered more than once in the show.
5. There is no limit to the number of entries per class.
6. Exhibitors must complete the Society's entry form in its entirety. Exhibitors shall detail the following when entering exhibits in the wine show:
 - Class, variety(s) or generic description as required
 - Vintage (state NV if non vintage or average age where applicable)
 - Declare whether quantity in stock meets requirement
 - Name to be used in the results catalogue
 - State whether commercially dressed
 - Sweetness or Alcoholic strength as required.
7. All exhibits shall bear the labels supplied by the Society and every effort should be made to ensure the label supplied by the Society does not obscure the commercial label.
8. Exhibits received late may be disqualified.
9. The description provided for each section (and class) must be adhered to; incorrectly entered exhibits may be disqualified.
10. The stewards reserve the right to transfer entries from one class to another.
11. Trueness to style will be at the discretion of the Chief of Judges.
12. Exhibits become the property of the Riverland Wine Show Society once received.
13. Wines entered in single variety classes must have a minimum of 85% of the specified variety. The predominant component of an entry in a blend class must not exceed 84% of the total volume. All components of the blend must be nominated on the entry form.
14. Each entry shall comprise in the:
 - Dry, sparkling and sweet wine classes 4 x 750ml bottles
 - Fortified wine 2 x 750ml bottles
 - Brandy 2 x 700ml bottles
 Entries in bottles of equivalent nominal sizes will be eligible.

15. Exhibitors please note - trophy and medal winners may be requested to supply additional bottles for the exhibitors/public tasting and the presentation dinner at no cost to the Society.
16. The Riverland Wine Show Society Inc reserves the right to audit any entry for the following: Non conformance with minimum stock requirements as stated, regional integrity, compositional integrity, and any other matter.
17. The Society reserves the right to have any exhibit inspected or analysed by one or more persons appointed for that purpose.
18. An exhibitor breaking any regulation may be disqualified from any future show or shows. No entry will be received from any person or persons disqualified by this or any other similar Society during the period of such disqualification. Should any such entry be accepted, it shall, when discovered, be deemed void and the entry fee and exhibit shall be forfeited.
19. Exhibitors shall be judged out of 20 points and awards will be made on the following basis:
 - Gold 18.5-20.0 points
 - Silver 17.0-18.4 points
 - Bronze 15.5-16.9 points
20. Trophies for best wines. Non commercially dressed wines can be entered into all sections of the show with the exception of class seven (7). **However only entries fully dressed and commercially available for sale at the time of judging will be eligible for trophies. Only commercially dressed wines will be given a point score.**
21. 'Commercially available' is defined as wines for sale via general distribution through the retail market (including wine clubs) in Australia and/or overseas as well as wines only available for sale at cellar doors or cellar door mail order.
22. Points for aggregate trophies will be allocated on the following scale:
 - Gold 5 points, Silver 3 points, Bronze 1 point. Points will only be awarded to commercially dressed wines.
23. In the event one or more exhibitors achieve equal aggregate points for a trophy, the trophy will be awarded to the exhibitor with the most gold medals. If this number is equal, the trophy will be awarded based on a count-back of silver medals.
24. Awards may be withheld in any class where exhibits are considered unworthy.
25. Medals may only be claimed or advertised under the name in which the wine was entered.
26. Judges will assess each class without collaboration and on receipt of all result sheets for a particular class the panel Chairman shall have the points totaled, checked and determine the awards.
27. Judges will not have access to exhibits apart from the glass of each placed in front of them by the stewards.
28. Judges and Associate Judges shall not at any time prior to the announcement of awards have any access or knowledge as to the identity of the exhibits.
29. The decision of the Society and Judges shall be final.
30. No protest will be entertained unless made in writing within seven days of the announcement of the awards.
31. All results from this year's wine show will be published in the results catalogue, released to the media and displayed on www.riverlandwineshow.com.au/wineshow
32. Exhibitors are expected to comply with the Winemakers' Federation of Australia (WFA) Code of Practice for the display of awards (except for clause 1, which applies to wines labelled for export only).

Winemakers' Federation of Australia

Code of Practice for the display of awards

- Producers will not use medals, stickers, symbols or other devices on a bottle or soft pack in order to misleadingly convey the impression that the wine has received an award at an open, objective and independent competition.
- Awards received by an individual wine will bear the name of the show, the year of award and the class description and as a general rule shall only be applied to wines bearing the name under which the exhibit was entered;

However, in recognition that a wine could be entered in a show before a wine has been finally allocated to a Brand, portability of an award so that it can stay with the wine which won it shall be permitted providing the wine show regulations allow.
- Awards received by a class of wines (eg "Winemaker of the Year", "Most Successful Exhibitor") shall not be used to suggest the individual wine has received any particular distinction. These awards will not be presented on the bottle in the form of a medal.
- The use of gold, black and gold discs, bronze discs and silver discs to promote anniversaries, events, sponsorship and the like, must not be used. Stickers and symbols or other devices should be sufficiently differentiated from show medals in terms of shape and/or colour to ensure no confusion;

It is recognised that identification stickers attached to a bottle for wine not intended for resale, such as supplied to airlines, may fall outside the control of the producer.
- Compliance by a producer (including by subsidiaries or by associated companies) with this Code of Practice be a prerequisite for entry to any show of which the display of awards or medals are authorised by the Wine Australia Corporation for export to Europe. Wine show regulations will need to be amended accordingly.
